TRAITOR IS A PRISONER

Sir Roger Casement Caught While Trying to Land Arms in Ireland

BROUGHT TO LONDON ON SUNDAY MORNING

Man Formerly High in the Diplomatic Service Tried to Get the Anti-English Party in Ireland to Fight Against the English.

LONDON, April 25. — It is announced officially that Sir Roger Casement was brought to London on Sunday for trial. The announcement follows:

"Sir Roger Casement, who was arrested in connection with an abortive attempt to land arms in Ireland from a German vessel, was brought to London on Sunday morning. He was met by officers from Scotland Yard and is now detained in military custody. It is understood evidence of his proceedings in Germany since the outbreak of the war will be produced at his trial."

Owing probably to British censorship only the bare facts in connection with the arrest of Sir Roger Casement and the present situation in Ireland have been made public.

Sir Roger Casement before the outbreak of the European war was in the British consular service, having held posts in Portuguese West Africa, the Congo Free State, Haiti, San Domingo and Brazil.

In November, 1914, it was reported that Sir Roger, who was the leader of the separatist faction in Ireland, had gone to Berlin and conferred with the German imperial authorities, his intention, it was said, being to open negotiations between the German government and the anti-English party in Ireland.

Assurances were said to have been given to Sir Roger that should the German troops land in Ireland, all native institutions would be respected by them.

them. Sir Roger's followers in Ireland were, according to the report, to give every aid to the Germans. The report of his activities in Germany created a sensation in England and in February, 1915, Sir Edward Grey announced in the House of Commons that Sir Roger's pension as a former member of the consular corps had been suspended pending an investigation of charges of disloyalty against him.

Sir Roger was created a knight in 1911. He is 52 years old. It was Sir Roger who in 1912, while consul general at Rio Janeiro, made a report on the torturing and killing of natives of Brazil by employees of the British company operating the Putumayo rubber fields. As a result of his report a British royal commission headed by him investigated the situation and brought about reforms in the treatment of men employed in the industry.

SITE CHOSEN FOR ST. JOHNSBURY ARMORY

Selectmen Buy for \$10,000 a Lot on Main Street Near Several Notable Institutions.

ST. JOHNSBURY, April 25. — After a conference Saturday between Col. Ira L. Reeves of Northfield, Adjutant-General Lee S. Tillotson and Capt. Herbert A. Wilcox of Company D, 1st inf. V. S. G., it was decided to locate the new armory on Main street. The lot south of the Episcopal church owned by Mrs. Martha E. Barnham was chosen and the selectmen of St. Johnsbury at once closed a deal for the site, paying \$10,000. This lot has a front of 137 feet and is 175 feet deep. There are now four dwellings and a barn on the lot and these will be removed at once so that building operations can be begun July 1. The appropriation for the new armory is \$25,000. This is considered an ideal location for the new building as it is in the midst of several of St. Johnsbury's finest structures. The North Congregational church, the Fairbanks museum, the St. Johnsbury House and the new Methodist church, the Goss garage and many other of St. Johnsbury's pretentious buildings are in the immediate vicinity.

HOTELS LEASED.

Vermont and Van Ness at Burlington to Be Managed by T. E. Krumbholz.

BURLINGTON, April 25. — T. Edmund Krumbholz has leased the Hotel Vermont and Van Ness and will operate them as lessee after May 1.

Mr. Krumbholz is recognized as one of the leading hotel men of the country. For 14 years he has been financially interested in and the successful manager of the Sagamore hotel, the leading hotel on Lake George. Previous to that he had been connected with the Rougemont at Lake Placid. He is now part owner and manager of the Kirkwood at Camden, N. C.

Mr. Krumbholz is expected here the latter part of this week and the Van Ness roof garden will probably be opened for dancing by next week. Mr. Krumbholz has a very large list of patrons and his connection with the hotels will add to their prestige and to the prestige of Burlington, as a convention city and summer resort.

Mr. Krumbholz will carry out the idea of the owners, to cater especially to the commercial and state trade, which patronizes the house throughout the year, and also increase Burlington's reputation as a summer resort.

A. N. W. Smith, who has been manager of the Van Ness House, will leave this city May 1 for New Haven, Conn., where during the summer he will manage the Colonnade, near that city, and during the winter will manage the Bristol in New Haven.

STRICKEN WHILE DRIVING.

Chester Kezer of Corinth Had Shock on the Road.

WAITS RIVER, April 25. — The hand of death fell upon Chester Kezer of Corinth while he was traveling from Corinth to Waits River Saturday afternoon. He left the former place at 2 o'clock in the afternoon and was stricken with a shock, the reins falling from his hands and the horse going along, unguided, till it reached the place of William Richardson, where it was found at 9 o'clock that night. Mr. Kezer was still alive but unconscious, death ensuing in a short time. Mr. Kezer was born in Fairfax May 6, 1854, and he lived in that town for 41 years. Since that time he had lived in Corinth. His wife died a year ago, and there are seven children surviving.
